4       United States of America,

5                   Plaintiff

6       v.

7       Barry Brymer,

8                   Defendant  
9

Case No. 3:06-cr-103-HDM-VPC-2

**Order**

10       Defendant Brymer moves for an order for early termination of supervised release. As of  
11       now, he has about six months left of a five-year sentence. The probation department does not  
12       oppose the early termination request, and the government did not respond before the deadline to  
13       do so. Therefore, the Court grants the motion.

14       IT IS SO ORDERED.
